A Time For Healing and Hope

At Caspian's Heritage, we are deeply committed to the healing power of horses, nature, and the arts. Our mission is to provide equine-assisted learning, outdoor therapeutic experiences, and experiential education that nurture the body, mind, and soul. Through these holistic approaches, we offer individuals the opportunity to heal, grow, and find resilience in life's challenges.

In times of great adversity, like the recent storm that has devastated many families in our community, the need for connection and healing becomes even more vital. We understand that many have lost their homes, livelihoods, and sense of security. Now more than ever, access to alternative educational opportunities, therapeutic programs, and the support of a nurturing environment can be a lifeline for children and families.

At Caspian's Heritage, our equine-assisted activities and creative arts programs offer a safe space for emotional healing, personal growth, and building confidence. Horses have an incredible ability to mirror our emotions and teach us about trust, connection, and self-awareness, while the arts offer a channel for self-expression and processing difficult emotions. These experiences are especially powerful for children, helping them rebuild a sense of stability and hope during uncertain times.

To ensure that these transformative experiences remain accessible, we are focusing our efforts on raising scholarship funds for families who have been affected by the storm and have lost their sources of income. We believe that no child should be denied the opportunity to benefit from equine-assisted learning and outdoor therapeutic activities, especially when the need for healing and rebuilding is so urgent.

We ask for your support in helping us continue to offer these life-changing programs as well as support other alternative education programs to those in need. Your contributions will directly fund scholarships, providing children and families with access to the healing power of horses, nature, and the arts. Together, we can make a difference in our community's recovery and ensure that these vital services remain available.

Thank you for your generosity and commitment to fostering hope and healing in these challenging times.

You can donate online or mail checks to:

Caspian's Heritage
PO Box 2005
Old Fort, NC 28762

Please contact us with any questions regarding donations or if you or someone you know is interested in applying for financial assistance through our scholarship program!

Warm regards,
The Caspian's Heritage Team
